@bring.dolev.and.arbel.home

Arbel is a people person and a nature lover who recently traveled to South and Central America with her partner, Ariel Konio. Upon their return from the trip, they settled down together in Kibbutz Nir Oz and adopted a puppy named Merav, marking the beginning of something significant: their future. It was clear for all to see through Arbel's eyes that her life was a dream come true. Arbel is highly interested in space exploration and astronomy and is actively engaged in teaching in these fields.

Arbel and Ariel were kidnapped from Nir Oz together with Arbel's brother, Dolev. Ariel's brother, David, was also abducted from the kibbutz along with his wife and daughters, who were later released in a prisoner exchange.
