

ROM BRASLAVSKI (20)

@bring_rom_home

Rom is the younger brother of Ami, the older brother of Ziv, and the son of Tami and Ofir. He's a person who's full of emotion and generosity towards others. Rom is a fun-loving and mischievous guy who enjoys living life to the fullest. He's passionate about sports, and since his abduction, many sports events in Israel have paid tribute to Rom and his bravery.

On October 7th, Rom worked as a security guard at the Nova Festival in Ra'im. Throughout the event, Rom attended to, guarded, and assisted the injured festival-goers. "He moved around there like a lion, guarding the women's bodies to prevent them from being abused or kidnapped. At one point, when an RPG missile was fired towards a group of youths, some running towards the road, Rom stayed on-site, helped, and saved people until communication was lost with him.

"I want to tell him to stay strong, that we love him, and that we're bringing him back home very soon. We're doing everything we can to bring you back, so please hold on a little longer. I believe in him, I know what kind of person he is. He'll be home soon. We all love him, so don't forget him for a moment, and let's do everything possible to bring him back," shares Ami, Rom's brother. "We're with you every step of the way and we won't stop until Rom and every single hostage is home."
