

## BIBAS FAMILY

@bring.bibas.back

Yarden (34), Shiri (32), Ariel (4) and kfir (1) Bibas

Yarden will always be the first to rush up and get up to offer his sit to someone else. He loves music, stand-up and animals so much. He found his beloved dog Tonto when he was an abandoned puppy at a bus stop and rushed to adopt him. Yarden is a big and strong guy with a gentle and sensitive soul and an extraordinary sense of humor. He knows how to laugh at himself and, by and large, about any subject. He manages to make everyone laugh, especially Shiri, even when she's the most nervous.

Shiri spent most of her life in Nir Oz. She was born and raised there and later also established her own house there with Yarden. She has a great sense of self-humor and you can laugh with her endlessly. Shiri is an artist and used to take part in the cultural events at the kibbutz and as the amazing and devoted mother that she is, even the elaborate costumes of the children are prepared by herself with great talent. She loves Robbie Williams, good meat and to laugh at every opportunity. Her friends say that it's fun to talk to her and catch her good energy or get good advice from her.

Four years ago, Yarden and Shiri became parents, when Ariel was born, or as Yarden calls him "the first Yemeni redhead". Ariel is a sweet and playful boy who loves superheroes and playing in the garden. He is crazy about tractors and cars and his red-head energy fills every room he enters in. A year ago, Ariel received a gift from his parents in the form of a little brother, Kfir. The smiling and calm baby, who lovingly embraces anyone who reaches out for a hug. His laugh melts hearts.

Shiri and Jordan were kidnapped from their home in Nir Oz together with her two small children - Ariel (4) and baby Kfir who was kidnapped when he was only 9 months old. On the same day Shiri was also orphaned by her parents who were murdered by Hamas. The family's beloved dog was also murdered. Little Kfir celebrated his first birthday in captivity.
