

**NAAMA LEVY (19)**

@bring\_naama\_levy\_home

Naama is a young girl who was kidnapped on 7/10 from Nahal Oz. Everyone knows the video where she is brutally dragged by her hair out of a jeep, her pajamas stained with blood. This is the last time we saw her. But we prefer to think about Naama from before October 7th.

Second daughter out of four siblings. A girl who at first glance looks gentle and quiet, but with a bit of patience you discover the light, joy of life, strength and determination. Like any girl her age, she likes to hang out with friends, laugh and have fun. But she is also strong-willed, making brave choices. An athlete who became a determined triathlete. After graduating from high school with a diplomacy major, she joined the "hands of peace" expedition designed to connect Palestinian, American and Israeli youth and encourage them to bring about change. She also managed to volunteer for a year at Be'er Ora in a kindergarten with refugee children. Recently, shared with her friends her desire to do something meaningful in life, something that would leave a mark.

We are so waiting for you Naama, may you continue to fulfill your dreams. But first of all Naamonet, sit with us for a moment. Let us wrap you up and make you your favorite dish.

**These cookies, are Naama's favorite**

134 hostages in captivity. Know their faces, their stories, their favorite cookie.
